

**Sarmatian Review**

30 mins · 🌐

Aquila Polonica is probably the finest and most successful publisher of Polish books in the United States. Their books do sell, a rarity among publishers of books from the less well known countries. Sarmatian Review has published reviews of several of Aquila Polonica books—you can find them via our SEARCH feature on the Sarmatian Review Title Page.

Aquila Polonica's recent achievement is the publication of "The Auschwitz Volunteer"—an arresting account of Polish hero Witold Pilecki's voluntary incarceration in the German concentration camp called Auschwitz. Recently, the rights to this book have been sold to a Chinese publisher. This is truly a road marker. Chinese views of Europe have not congealed yet, and books like "The Auschwitz Volunteer" have a chance to influence those views. Here is more information about the book and about Aquila Polonica:

**About the Book**

“ONE MAN DID THE UNTHINKABLE” “The game which I was now playing in Auschwitz was dangerous. This sentence does not really convey the reality; in fact, I had gone far beyond what people in the real world would consider

The complete link for more information about *The Auschwitz Volunteer: Beyond Bravery* is at:
